Looking Forward

- ***We've come so far, but we can go even further.***
- Individuals, NGO's, and governments have been working together to advance women's human rights.
- The next year will show the most development and change as we approach the Post-2015 Agenda.
- No matter where we are, we all face the ***same issue***. It's up to ***all of us*** to find and implement ***solutions***.
