WomenNC 2015 U.N. Fellowship Dinner

WomenNC welcomes you to our 6th annual Fellowship presentation featuring the NC university students chosen as WomenNC's 2015 CSW Fellows. The Fellows will share their research in advance of their participation at the 59th United Nation's Commission on the Status of Women (CSW) in New York.

We'll be hosting local officials, non-profits, academics, business leaders, students, and community members. Please join us to learn more about the status of women & girls in North Carolina and around the world!

The Fellowship Program

WomenNC has awarded 30 CSW Fellowships since 2010, to NC university applicants who are highly motivated to study and offer solutions to regional and international women's issues. The students conduct research on women's challenges in North Carolina, partner with local organizations, and recommend program enhancements.

After presenting in March at the United Nations' annual CSW Conference in New York City, the Fellows return to North Carolina to share their experiences at numerous Global-to-Local community presentation events.
